M120

Tempo imperfetto

M120 TEMPO IMPERFETTO
è un modulo unico in cui
sono presenti tutte le
funzionalità principali di
una cucina. Dalle dimen-
sioni contenute, versatile e
totalmente richiudibile trova
impiego in diverse tipologie
di ambienti.

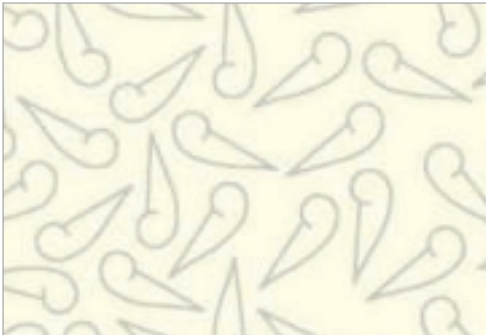

M120 IMPERFECT TENSE
is a single module containing
all the main functions of a
kitchen. Its moderate size,
its versatility and the fact
that its contents are totally
concealed by doors make it
suitable for lots of different
settings.
